**Lilium Regale.** The most popular of all the lilies. Large, white, very hardy, very fragrant, tall, and does well almost anywhere. We have probably a million bulbs in various sizes of this variety growing on our bulb farm, but we anticipate a shortage again this year in the largest sizes. Even so, we are prepared to fill a good many orders

## DELPHINIUM SEED

**THE PACIFIC STRAIN** is pronounced by experts to be the most striking advance in Delphinium hybridizing in recent years, and has brought fame to its originator, Mr. Reinelt. These fine Delphiniums will add much beauty to your garden. Many of the florets are very large and exquisitely beautiful. We predict a great future for this strain.

Per packet, \$1.00.

**THE WREXHAM STRAIN** produces a large proportion of very superior plants from seed. They produce tall, well shaped bloom spikes with very large florets, many of them being double. The coloring is extremely beautiful with wonderful and varied combinations of delicate shades, blue, lavender, white, cream, silver, dark purple.

Per packet, 50c.

## Free Bulbs

If your order totals \$3.00 or more, you may select, from Ellis Originations, free bulbs to the extent of 30% of your order.

Ellis Originations continue to win many ribbons, cups and medals. This summer our Wings of Song won Grand Championship in Iowa. Last year it was entered five times in New York and never beaten. Chief Multnomah entered four times there and never failed to place. Golden Chimes, and New Era have won so often it is getting to be an old story. Coral Glow is the best in its class. Abe, J. D. Sez, Vista Bonita, Royal Pink, and several of our others have rapidly come to the front as real winners, and best cutflowers.

Ellis Originations on this price list have (Ellis) after the name of the variety, except in the Quantity Prices and there you can tell which are Ellis Originations by comparing with the other list.

This offer is in addition to our Blue Ribbon Offer, but does not apply to special quotations. If you do any exhibiting be sure to look into our Blue Ribbon Offer. Some growers have won \$30.00 to \$40.00 and even as high as \$100.00 in free bulbs from us on that offer.

We are anxious to get Ellis Originations distributed as widely as possible so that other growers may see them. We don't do much other advertising of them. We simply like to let them stand on their own merits. Each year we receive a great many fine letters concerning them, but somehow we never find space to print them. Just as this goes to press we received a letter from the Carmelite Sisters of California telling how our originations stood a very severe and unusual test when all other varieties failed. Yesterday we had a letter from a grower stating Ellis Originations did better for him last summer than any other. The fine letters we have received during the past 15 or 20 years would fill volumes.

Bonneville and Red Roy are among the very best keepers as cutflowers. Golden Fleece is our best cutflower yellow. Dorothy Wood, Royal Pink, Commodore and Erlicut are very early.

### Free Bulb Coupon

Good for free bulbs of your selection from Ellis Originations to extent of 30% of your cash order if your order totals \$3.00 or more.
